

# LOST RIVER CAVE

## GIRL SCOUT BROWNIE PROGRAMS

### Bugs

When earning this badge, girls will discover the vast number of insects that call Lost River Cave home. Girls will examine our insect collection as they learn about their favorite bug and its unique characteristics. Each girl will make a buggy craft to take home and we will end the program by going on a bug hike to see insects that live at Lost River Cave.

*Meets all requirements*

Time: 2 hours

Program Cost: \$13.00/scout with a minimum 5 scouts

### Hiker

Girls will experience a safe and fun hike at Lost River Cave by learning how to pack the right gear and snacks for a hike. Girls will learn about the free trails at Lost River Cave that can be used any time and will also learn observation skills while hiking. Girls will practice "Leave No Trace!" hiking on their adventure. There are additional materials each girl should bring; these are not only for safety but also to complete all the badge requirements.

*Meets all requirements*

Additional materials each girl should bring: Hiking clothes, Light jacket, Sturdy shoes, Water bottle, Backpack, Small first-aid kit, Small notebook, GORP raisin and peanut snack mix

Time: 2 hours

Program Cost: \$13.00/scout with a minimum 5 scouts

### Household Elf

During this program, girls will learn how to reduce energy and waste and how they can practice this skill at home. Girls will learn how long it takes different types of trash to break down and ways to reuse common household items. Each girl will also receive a reusable shopping bag to take home. All of these activities will help girls lead a healthy, environmentally literate lifestyle. Girls will receive all the help they need to make an energy efficient plan for their family.

*Meets all requirements except part of Step 4, Step 5*

Time: 2 hours

Program Cost: \$13.00/scout with a minimum 5 scouts
